You are enrolled in a Delta Dental PPO plus Premier plan. You and your family members may visit any licensed dentist but will enjoy the greatest out-of-pocket savings if you see a Delta Dental PPO dentist. There are three levels of dentists to choose from.

PPO Dentist - Payment is based on the PPO dentist's allowable fee, or the actual fee charged, whichever is less.

Premier Dentist - Payment is based on the Premier Maximum Plan Allowance (MPA), or the fee actually charged, whichever is less.

Non-Participating Dentist - Payment is based on the non-participating Maximum Plan Allowance. Members are responsible for the difference between the non-participating MPA and the full fee charged by the dentist. You will receive the best benefit by choosing a PPO dentist.

Open Enrollment applies. Members may add coverage once per year.

This is a brief description of services covered under your dental plan. Please refer to the Employee Benefit Booklet for full plan details. If differences exist between this summary and the Employee Benefit Booklet, the Employee Benefit Booklet will govern.

Delta Dental PPO™ plus Premier

With the Delta Dental PPO plus Premier plan, you and your family members may visit any licensed provider. However, you will receive the greatest out-of-pocket savings if you see a Delta Dental PPO provider.

Advantages of the Delta Dental PPO Plus Premier Plan:

- SAVINGS:** Delta Dental providers offer our members the greatest savings and protection from balance-billing for covered services. That means they can't bill you for the difference between what they usually charge and the amount they've agreed to charge Delta Dental members. You can also ask your provider to submit a pre-determination estimate. Delta Dental will review the treatment plan and tell your provider how much you'd be responsible for so you'll have a clear understanding of cost prior to treatment.
- CHOICE:** If you choose to visit a Delta Dental Premier® provider, you'll still save money because Premier providers also accept discounted fees (however, discounts are not as great as if you see a PPO provider).
- NETWORK:** Delta Dental is the nation's largest provider of dental insurance, covering more than 80 million Americans, and offering the largest dental network with approximately 157,000 participating providers nationwide. Network providers file claims directly with Delta Dental on your behalf and accept Delta Dental's reimbursement in full.

Savings Example for a Major Procedure*

Premier Network	\$1,200	\$975	50%	\$487.50	\$0	\$487.50	\$225
Out of Network	\$1,200	\$700	50%	\$350	\$500	\$850	\$0

**NOTE: Payment examples above are for illustration purpose only. Check your specific plan for fees, coinsurance rates, and what procedures are considered "major", as they differ from plan to plan. Example assumes deductible has been met.*

It pays to use Delta Dental network providers — especially those in our PPO network. To find a participating provider or to see if your current provider is in the network, visit our website at deltadentalco.com and use the Find a Dentist search tool.
