

What if taking care of yourself and your family was free?

A free health benefit. **You are a member.**

Your employer has made this program available to you and your family to keep you in the best health possible. **You pay \$0** for covered services and never have to worry about copays or deductibles.

A new kind of benefit **where you get to choose.**

Choose from hundreds of specialists and over 1,000 covered services. Our partnership with your employer allows everything to be covered at 100%. **You pay nothing.**

Healthcare in your hands. **Get the right care for you.**

We cover all kinds of services like lab, imaging, physical therapy and hundreds of surgeries. You can search for a provider on our website at www.thezerocard.com, call, email or chat live with one of our **Personal Health Assistants**.

Put the focus on your health, **not your bill.**

We want you to focus on getting better and not have to worry about cost. Everything you do is covered at 100%. **You always pay nothing.**

I want to use ZeroCard.

1
Your doctor recommends a specific service or surgery.

2
Call, email or chat live with your own Personal Health Assistant.

3
We will take care of all the details and you pay \$0.
